REALITI UMAT ISLAM

- Daripada Thauban ra, bahawa Rasulullah SAW bersabda, "Setelah aku wafat, setelah lama aku tinggalkan, umat Islam akan lemah. Di atas kelemahan itu, orang kafir akan menindas mereka bagi orang yang menghadapi piring dan mengajak orang lain makan bersama. Maka para sahabat r.a. pun bertanya, "Apakah ketika itu umat Islam telah lemah dan musuh sangat kuat? Sabda Baginda SAW: "Bahkan masa itu mereka lebih ramai tetapi tidak berguna, tidak bererti dan tidak menakutkan musuh. Mereka adalah ibarat buih di laut. Sahabat bertanya lagi, Mengapa seramai itu tetapi seperti buih di laut? Jawab Rasulullah SAW, Kerana ada dua penyakit, iaitu mereka ditimpa penyakit al-Wahn. Sahabat bertanya lagi, Apakah itu al-Wahn? Rasulullah SAW bersabda: Cintakan dunia dan takut akan kematian." (Riwayat Abu Daud)

Saudi woman reportedly arrested for wearing mini skirt

A woman is under arrest in Saudi Arabia for wearing a mini skirt, according to "The Washington Post." Time

The ultra-conservative kingdom of Saudi Arabia has announced the construction of a luxury resort on the Red Sea where women will be allowed to wear bikinis instead of having to fully cover their bodies.

Never-ending destruction of historical sites in Mecca and Medina, cradle of Islam

POSTED: SATURDAY 05.15.2021 11:46 AM BY MOHAMMED KHAKU OPINIONS, OTHER VOICES, WORLD

Saudi Arabia, in which Wahhabism is the state form of Islam, has a long history of vandalizing and demolishing historical monuments. Cultural devastation of Islamic heritage sites is not a new phenomenon to the Bedouin kingdom of Saudi Arabia.

After the conquest of Mecca and Medina in the mid-1920s Saudis went on an orgy of destruction. They bulldozed and leveled the oldest cemetery "Jannat al-Baqi" or "Heavenly Orchard" in Medina that included graves of the Prophet Muhammad's son Abraham and daughter Fatemeh, as well as numerous of the Prophet's relatives and companions.

Saudis say No to the Prophet Muhammad, Yes to Paris Hilton

The Saudis make a great deal of their honorific as the "Caretaker of the two Noble Sanctuaries" in Mecca and Medina. One has to wonder about a kind of Care that says no to the legacy of Muhammad, bulldozes it, and invites Paris Hilton in its place.

More and more people are speaking out against the Saudi regime, and the way in which its Wahhabi ideology has linked together an utter disregard for the historical heritage of Muslims with an unabashed embrace of vapid capitalism. In both Mecca and Medina, the Saudi state has already bulldozed over 90% of the Islamic monuments going back some 1400 years. In their place, they are putting up five star hotels, parking lots, and shopping malls.

Adding injury to insult: In the same cities of Mecca and Medina, where the Wahhabi-backed Saudi state has bulldozed the historical shrines and cemeteries of the family of the Prophet, now we have the establishment of shopping malls featuring.... Paris Hilton.

Here was Paris Hilton's excited tweet:

Loving my beautiful new store that just opened at Mecca Mall in Saudi Arabia!
